

About Mike

Mike Berry is a renowned authority and trainer for Public Safety Diving and specializes in teaching underwater criminal investigations. He is the author of PADI's Public Safety Diver course and *The*

Water's Edge, the quintessential manual on underwater criminal investigations. With 35 plus years of experience as a police diver and 30 years as a dive team leader and instructor, Mike has led some of the world's largest and most dangerous underwater recovery operations while participating in over a thousand underwater criminal investigations.

Mission Statement

UCI's mission is to train public safety divers to be highly competent, certified and professional Underwater Criminal Investigators.

Real Evidence

UCI is the only training company in the world that integrates **real missions** recovering **real criminal evidence** as part of the training program.

Did you know? UCI recovers thousands of dollars' worth of evidence each year during training!

Certifications

Certification is an essential part of any professional organization. With UCI, students receive two certifications for every course taken:

- 1) UCI certification for their professional Public Safety Diver training portfolio.
- 2) PADI (Professional Association of Diving Instructors) certification, which contributes directly to their overall diving portfolio.

UCI certifications **NEVER** expire and are recognized worldwide.

UCI Instructors

Unlike other PSD training companies, UCI does not mass produce our instructors. UCI Instructors are specifically chosen based on their:

- * **QUALIFICATIONS**
- * **EXPERIENCE**
- * **INSTRUCTOR SKILLS**

The unique thing about UCI Instructors is...

"Not Everyone Can Be One"

Mission Ready!

Courses

The Underwater Criminal Investigator Course

UCI's foundational course designed to give the knowledge and skills to succeed as a true professional Underwater Criminal Investigator.

4-days of intensive training – One day of lecture and Three days of open water training. This course focuses on the 3-core components of search and recovery diving: body, vehicle and evidence recovery. Students learn UCI designed recovery techniques that are now being used internationally and copied by other PSD training agencies.

ALL UCI courses are approved for GI Bill Benefits

Formula for success: Most experienced and qualified instructors + training programs designed by the recognized experts in the field = UCI

The Master's Program

The Master Underwater Criminal Investigator Program is the only course of its kind in the world and is UCI's training program designed to focus on advanced recovery techniques of Public Safety Diving. The Master UCI course builds on the skills acquired in the UCI course and takes these skills to an advanced level. Students are trained and certified as:

- **Body Recovery Specialist**
- **Vehicle Recovery Specialist**
- **Evidence Recovery Specialist**
- **Crime Scene Metal Detector Specialist**

Special Note: Each course can be taught separately in a 1-day format

After completing the 5-day course, the students are certified in all four additional areas as well as

being awarded the coveted Master Underwater Criminal Investigator certification. If that isn't enough, certified Rescue Divers are qualified for the PADI Master Diver rating as well.

Public Safety Diver Courses

The Public Safety Diver course establishes a solid foundation in Public Safety Diving and focuses on: self, other PSD and non-diver rescue. The PSD course

has the highest prerequisites in the industry!

The Advanced Public Safety Diver course is UCI's advanced

rescue program designed to cover vehicle related rescues and away from shore rescues.

Master Public Safety Diver is UCI's highest ranking PSD certification and UCI is the only training company that offers this coveted PSD recognitions.

The Public Safety Dive Commander course is UCI's leadership course and is a

comprehensive PSD program designed to train team leaders in how to properly manage dive teams and lead comprehensive dive operations. This

program was designed by Mike Berry who is recognized as one of the most experienced PSD Dive Leaders in the world!
